HIFIMAN Limited Warranty

Your HE-R9 is warranted for a period of one year beginning with the original date of purchase. Your dated sales or delivery receipt is your proof of purchase. You may be required to provide proof of purchase as a condition of receiving warranty services, so please keep it in a safe place.

If your product is under warranty and malfunctions occur, please contact HIFIMAN customer service or your authorized dealer. If necessary, and at our discretion, we will repair or provide a replacement.

Caution: Do not disassemble or modify the product in any way. Tampering with or changing your HIFIMAN product will void its warranty.

This Limited Warranty does not apply to:

1. Defective or discolored parts if the damages are caused by fluids, dirt, missing keys, broken plastic parts, or other indicators of improper use.
2. Damage caused by misuse with another product.
3. Use of the product for other than its normal intended use as detailed in the Owner's Guide.
4. Damage caused by accident, abuse, neglect or misuse.
5. If you do not have a valid, dated receipt confirming proof of purchase.
6. Damage caused by service, repairs or other modifications to the system carried out by anyone other than HIFIMAN or an authorized HIFIMAN distributor or dealer.
7. Damage caused by self-repair or if the headphone was disassembled or modified in any way.

HIFIMAN guarantees your satisfaction and will do everything reasonable to achieve it. If you have any questions or concerns, simply contact your authorized dealer or HIFIMAN directly (if purchased from us) and explain the issue in detail. Should a return be necessary, HIFIMAN will issue a Return Authorization number. Shipping to HIFIMAN or an authorized service center will be at the owner's expense.

The warranty applies to the original owner and is not transferable. Contact customerservice@hifiman.com with any questions.
