

## SECRET ICT7+

FINISH : BLACK WITH WHITE GRID

SECRET is a range of in-ceiling and in-wall speakers that delivers high quality sound that fits in. Thanks to an ultra-slim magnetic grid, the SECRET speakers disappear to make room for the music.

Suitable for both commercial and private interiors, the SECRET speakers are highly versatile and offer an easy set-up to everyone.

ICT7 is a circular stereo speaker equipped with a 170mm driver and two 20mm adjustable silk dome tweeters, to broadcast a stereo sound with a single speaker. Ideal for small rooms.
