Range : **ACCESSORIES**
 Model : S04
 Finish : Black or White High Gloss

The minimalist aesthetic of this speaker stand features a design link to the high-end series with a solid base in coloured glass matching the finishing of the stand (black or white).

Built for dedicated listeners: Decoupling spikes are provided with their lock nuts, the tube has cable management for hiding the cables inside and it can be filled with sand to increase stability and significantly reduce vibration transmitted to the speaker.
